

Powder-Free Nitrile Exam Gloves

NeuBlush Nitrile Exam Gloves are our best-selling exam gloves in our full Exam glove portfolio. They provide tactile sensitivity and protects hands from potentially infectious materials. They offer a soft and comfortable feel with outstanding tactile sensitivity. Medgluv will donate 5% of NeuBlush Nitrile glove profits towards breast cancer research and awareness programs. Together, we can help find a cure.

Description:

- Textured fingertips enables grip, wet or dry.
- Tear resistant beaded cuff eases donning.
- Standard color coded sizing to identify different sizes.
- Offer excellent sensitivity for touch perception and dependable protection.
- Meets and exceeds NIOSH recommendations for Fentanyl
- Meets both ASTM D6978-05 and USP 800 Personal Protection Equipment requirement for use of select chemotherapy gloves.
