

Dragon Skinz

Powder-Free Nitrile Exam Gloves

Dragon Skinz nitrile glove is a high performing, latex-free exam glove for use in every application in every environment. Exceptionally stretchy soft, low modulus nitrile synthetic compound excellent for extended periods. Slightly tacky exterior finish provides excellent gripping properties.

MAXIMUM BARRIER PROTECTION FOR ALL RISKS

Description:

- Dragon Skinz black exam gloves are strong, highly visible gloves provide the advanced protection and optimal grip needed for demanding, high-stress situations.
- Powder-Free nitrile gloves offer dependable strength and are fully textured for an enhanced grip in demanding environments.
- Meets and exceeds NIOSH recommendations for Fentanyl.
- Meets both ASTM D6978-05 and USP 800 Personal Protection Equipment requirement for use of chemotherapy gloves when handling hazardous drugs.
