

## Powder-Free Nitrile Exam Gloves

Black Cobra nitrile glove is a thinner high performing, black exam glove for use in every application in every environment. Exceptionally stretchy soft, strong low modulus nitrile synthetic compound excellent for extended periods. Slightly tacky exterior finish provides excellent gripping properties.

# MAXIMUM BARRIER PROTECTION FOR ALL RISKS

### **Description:**

- Black Cobra black exam gloves are strong, thinner gloves provide the advanced protection and optimal grip needed for demanding, high-stress situations.
- Powder-Free nitrile gloves offer dependable strength and are fully textured for an enhanced grip in demanding environments.
- Meets and exceeds NIOSH recommendations for Fentanyl.
- Meets both ASTM D6978-05 and USP 800 Personal Protection Equipment requirement for use of chemotherapy gloves when handling hazardous drugs.
